

Updated COVID-19 Guidelines

Effective 5/29/2021

To our loyal clients and friends:

We want to thank you for your faith in us and your continued support. We are so proud to say that we have gone through the COVID-19 pandemic without any of our staff contracting the virus nor any infections being transmitted to clients or to us through the salon. I am incredibly grateful to my staff for all their hard work and care!

With regards to Governor Baker's decision taking effect May 29th, our policy will be updated as follows starting that day:

You will have the option to wear a mask or come mask free (if you are vaccinated*). We believe that everyone should have a choice. However, we want everyone to feel safe and comfortable so if you have any concerns, please send us your request and we will do our best to accommodate you. Please note that we will continue to have you call when you arrive to confirm we are ready to take you in, as we would still like to limit the number of clients in the salon.

All of our staff will have been fully vaccinated by 5/29/21. Until May 29th, you will still need to come masked and follow our current procedures. As always, if you are feeling ill, please let us know 24 hours in advance and we will be happy to reschedule your appointment.

***PLEASE NOTE: The mask off policy is ONLY for vaccinated clients.** If you are not vaccinated, you will need to continue to come with a mask. Thank you!

Wishing you a wonderful week!

Lee Rudman
